

Harrisonville Rotary Club
Harrisonville, Missouri

Dear Community Partner,

For nearly 50 years, the Harrisonville Rotary Club has been committed to serving our community and living out Rotary's motto of Service Above Self. As we approach our 50th anniversary in 2027, we are proud to announce a legacy project that will have a lasting impact on families throughout our region — the creation of a Miracle Field and an all-inclusive playground in Harrisonville.

The Miracle League model was designed to give children and individuals with disabilities the opportunity to experience the joy of baseball in a safe, supportive environment. A Miracle Field features a cushioned, rubberized surface to accommodate wheelchairs and mobility devices, accessible dugouts, and a fully inclusive design that removes barriers and creates opportunity. More than just a ballfield, this project will foster teamwork, confidence, and belonging for athletes and their families.

In addition to the Miracle Field, the project includes a fully inclusive playground where children of all abilities can play side by side. This space will serve as a gathering place for families, schools, and the broader community — ensuring that every child has a place to participate, connect, and thrive.

Our fundraising goal is \$650,000 to bring this vision to life, with a projected completion date of March 2027 in celebration of our 50th anniversary. The Harrisonville Rotary Club has already committed \$25,000 toward this effort, demonstrating our strong belief in the importance and impact of this project. Now, we are seeking the support of generous community partners like you to help make this dream a reality.

All donations are tax-deductible and will be processed through the Truman Heartland Community Foundation, a 501(c)(3) charitable foundation. Contributions may be made payable to Truman Heartland Community Foundation with "Harrisonville Rotary Miracle Field" noted in the memo line.

Your contribution will directly support construction, accessibility features, equipment, and long-term sustainability of the field and playground. Together, we can create a space that reflects the compassion, generosity, and forward-thinking spirit of Harrisonville.

We would welcome the opportunity to meet with you to discuss sponsorship levels, naming opportunities, and ways your organization can be recognized as a founding partner of this transformational project.

Thank you for considering an investment in a project that will serve generations to come. With your support, we can ensure that every child — regardless of ability — has the chance to play.

With gratitude,

Harrisonville Rotary Club
